

2022 GRAFFITI INVITATIONAL

Covid Protocol

New York State has an indoor mask mandate, that the local county is not following. We are asking spectators to wear masks, we are not going to be able to police everyone. The gymnasts may be mask free during warm-ups and the competition. Gymnasts and coaches will not approach the judges at each event. We are doing live scoring through Pro Score to reduce the number of people at the judges tables. We are asking everyone to wear masks at awards as it is in a smaller area.

Door is Cash Only
